¹Residences are closed over 5 long weekends, Christmas Break (2 weeks), and March Break (1 week)

²Includes a program and supervision on-campus over the 5 long weekends of the school year

³All international students *must* have a custodian in Ontario. If a student does not have a pre-arranged custodian when he or she applies, we can arrange one for this fee. Custodians are responsible for students over the Christmas and March Breaks and if they are required to be off-campus during the school year.

⁴This fee is paid if students enrol in a music class or the school band and require an instrument to participate. If a student is in both a class *and* the band, the fee remains \$75.

⁵Only paid by students in their graduating year.

⁶Deposits are returned upon completion of studies at Great Lakes after a final settling of the account and *if* the textbooks and keys are returned and rooms are left clean and do not require repair.

Health Insurance: All non-Ontario residential students must either present acceptable proof of insurance or purchase insurance *before* they arrive on campus. Please consider Ingle International at <http://glchs.ingleinsurance.ca/>
