Director of Admissions Attends Hong Kong Fair

In January 2010 Tim Alexander attended an Education fair in Hong Kong. It was an event full of enquiring parents and students.

Many in Hong Kong aren't happy with the changes to their education system and are looking for change. As we have a limited number of spaces in our residential program and a limit on how many international

students we can accept we encourage interested families to apply early!

Happy New Year! Twenty students celebrated the YEAR OF THE TIGER in the Alexander's home. We

played games, including Mah Jongg, and ate too much until the students returned to their dorms just after mid-night.

We Welcomed 7 New Students 2nd Semester

We are pleased to have two students join us from Ontario and five students from Zambia, China, Ghana and Thailand. A total of 30 International students, holding 15 different passports, add to our community in many wonderful ways.

新年快樂

Happy Lunar New Year to our International friends! On Friday, February 12 Great Lakes students and teachers celebrated Lunar New Year with a meal at a local Mandarin restaurant. So not to miss a full day of school, classes were shortened for the day. Students filled our two school buses and many staff vehicles and travelled to the restaurant where they enjoyed the afternoon together.

Mini Olympics at Great Lakes February 23

Every month an all school Community Dinner is held where staff, residential and day students enjoy a theme meal together. To get in to the true Olympic spirit, Mini Olympic games were held in our gymnasium after supper, complete with an official Olympic torch procession and awards ceremony to follow. One of our teachers as well as one of our students participated in the Canadian Torch Relay and lent their torches to this event.
